Reclaimed History in Zemgale and Northern Lithuania:

Digital solutions

Zemgale / Latvia

What once was lost, now is reclaimed

Would you like to experience digitally Iecava Manor or Akmene Synagogue, even though they no longer physically exist? Experience a digital projection at Lielplatone Manor, where a piano is visually brought to life, playing 19th-century music by Franz Liszt, enhancing the manor's timeless aura. Or perhaps you'd prefer to encounter the legendary Blue Lady ghost of Gārsene Castle? Maybe you'd rather take a virtual tour of Rokiškis Old Town and the historic Rokiškis Manor? This joint route offers a wonderful opportunity to explore the rich cultural heritage of the Zemgale and Northern Lithuania region – discovering not only what has survived to the present day, but also what has been lost, is no longer visible in its original form, and cannot be restored.

All sites offer visitors diverse digital experience, including– augmented and virtual reality, audio guides, QR codes, mobile apps, interactive stands, digital games, projections and other modern solutions. These modern tools help visitors to gain a deeper understanding of the cultural heritage, values and history of the Zemgale and Selonia regions, alongside the Šiauliai and Panevėžys regions.

Begin your digital journey and explore the best of Zemgale and Northern Lithuania!

Interreg Co-funded by the European Union · ZEMGALE PLANNING REGION

Latvia – Lithuania

DOBELE MUNICIPALITY
Find out more: visitdobele.lv

1. Dobele Castle
The rebuilt chapel of the castle opened its doors to visitors in 2021. In the interactive section through a stand, audiovisual installations and digital games, visitors can explore Duchess Elisabeth Magdalena Kettler's family tree by themselves, learn about castle household life, and view works by various artists.
